**Additional Workstations** (each)-----\$100.00

### I-Got-Notices™

**I-Got-Notices** (our companion program) captures those free looks and saves the files to your hard drive for review when you need to see them. They are available to you without having to go to PACER and incur charges. When connected to **BankruptcyPRO®**, **I-Got-Notices™** can match the notices and their linked documents to your cases. Clicking on the **I-Got-Notices™** tab shows you a list of the notices received in your case. Clicking on a button opens the captured PDF file(s) for your review (or printing).

**Order I-Got-Notices™:**

- Single-User License (1 computer) -----\$395.00
- Peer-to-Peer License (2 computers) -----\$595.00
- Network License (3 computers) -----\$795.00

**Additional Workstations** (each)-----\$125.00  
 (Support Information is located on the reverse side)

### DoingTIME™

**DoingTIME™** is a comprehensive, stand-alone, EASY-TO-USE timekeeping and billing package. **DoingTIME™** is NOT limited to bankruptcy work. You can use it for any type of practice. It handles flat fee as well as time and expense billing. Generate aging reports to keep up with your Chapter 13 Trustee payments. Generate timekeeper reports. Handle trust accounts. Print monthly statements that fit in window envelopes. **DoingTIME™** can link with **BankruptcyPRO®** to receive client information automatically.

**Order DoingTIME™:**

- Single-User License (1 computer) -----\$195.00
- Peer-to-Peer License (2 computers) -----\$295.00
- Network License (3 computers) -----\$395.00

**Additional Workstations** (each)----- \$50.00  
 (Support Information is located on the reverse side)
